The Miami Rescue Mission would like to say a **Big Thank You** to you and how much we appreciated your support for the Miami Rescue Mission, Mission Hope campaign. We want to let you know that we could not help the number of people we help on a daily basis and also on special occasion as if it was not for people as yourself the staff and students of your wonderful school Amelia Earhart Elementary. There are always the months that the donations come in a little slower. So your generous gift is much appreciated, looking forward to continue with your support to help the least the last and the lost of our society.

Last year we served over 625,000 meals and also accommodated over 220,000 bed nights. Every day we give showers, clean clothing and food to our homeless. If they choose to get off the streets we then offer them a program at no charge to help them become productive citizens.

We can only do these things with continued support from our Volunteers, Donors and Supporters. Even though we feed and care for the needy everyday these special donations bring home the fact the many people do care for those on the streets and for those families that have very little. We look forward to partnering with you in helping give hope to the least, the last, and the lost within our community and to see lives and families restored to their fullness.

Thank you for your continual support for the least fortunate of our society.

Kindest Regards,
